ENOTA GLACE, LLC presents

a SLICES OF LIGHT Event

“What’s in Your Garden? – Interstellar Stuff”

Stephen Bassett

“Paradigm Shift”

Why formal acknowledgement of the extraterrestrial presence by world governments will be the most profound event in human history.

Stephen is founder of the Paradigm Research Group, the Executive Director of the Extraterrestrial Phenomena Political Action Committee (X-PPAC), the creator of the Paradigm Clock and the Executive Producer of the X-Conference. His work has been covered internationally including: the Washington Post, Washington Times, New York Times, Legal Times, Roll Call, Christian Science Monitor, National Journal, Pravda and the London Daily Express.

Louise Aveni

“Conversations with an E.T. Hybrid”

International author, Spiritual Activist and until recently, host of her own talk radio show on Sedona Talk Radio. Louise has been blazing a new trail of conscious understanding about who we really are and what role our galactic neighbors play in our evolutionary journey through her speaking engagements around the country as well as her books, “LUPO -Conversations with an E.T.”, which is the first of a trilogy sequel with “HYBRID-The Conversation Continues”, soon to be released and “KRYSTAL-The Final Saga” due out in 2009.
