

## *The First Years and Beyond*

~ Marriage Enrichment Evening ~

Friday, May 1, 2009 6:30-9:00pm

*“Why Didn’t Anyone Tell Us That?”*

### *Three Proven Strategies to Get and Keep Your Marriage Amazing*

*The First Years and Beyond* Marriage Enrichment series at The Retreat Center at St. John's is offering an evening of superb appetizers, desserts and an inspirational talk **specifically geared for couples married one to seven years**. In his down to earth and humorous style, marriage expert Dr. Tim Hogan invites couples to graciously come to accept the ways we undermine our efforts to make our marriages amazing, as they were originally created to be. In his talk, Dr. Hogan will teach couples to:

- Create and recreate an amazing marriage
- Effectively deal with the biggest challenges of the early years of marriage
- Use little-known secrets to staying connected, particularly when in conflict
- Effectively address real, core problems that erode marital friendship
- Create a healthy, life-giving spirituality of marriage
- Increase positivity in their relationship.

**Dr. Tim Hogan** is a clinical psychologist and Certified Imago Relationship Therapist with a passion for helping couples create safety and passion with one another. He is a frequent speaker who creatively combines the wisdom of our Christ-centered faith tradition with new research about how human brains form (and deform!) relationships. This entertaining evening of marriage enrichment promises to inspire, humor and equip spouses to grow together through the normal challenges of early married life.

Come and experience ...you don't want to miss this one!

**Speaker: Tim Hogan, Psy.D. ~ Tickets: \$40.00 per couple**

Registration required by April 23, 2009 . Contact 734.414.1104 for more details.
