

ENOTA GLACE, LLC presents  
a SLICES OF LIGHT Event

# *Sign Language of the Soul Workshop Level 2*

**presented by Dr. Dale Schusterman**

**Sunday, March 21, 2010**

This one-day course will explore the next level in the Sign Language of the Soul. You will learn how to access an entirely new dimension of the Kabbalistic Tree of Life. Based on the book, *The Sefer Yetzirah*, or the Book of Formation, you will learn how to activate the 3-Dimensional Astral Tree, and how to navigate the 7 channels extending from the Spiritual Heart. You will learn new mudras to tune your body-mind to these deeper levels of consciousness. Results from this new protocol are quite remarkable, and greatly extend the healing.

**This new work incorporates the original Sign Language of the Soul mudras, so the course is only open to those who have taken the basic level of Sign Language of the Soul (Level 1) and are using it regularly.**

New ways to initiate a 'circuit,' along with a deeper opening sequence will also be taught.

Dr. Schusterman, chiropractic physician, applied kinesiologist, and author of "Sign Language of the Soul: A Handbook for Healing" teaches this course. The information comes from over 25 years of personal experience in balancing the body and mind with energetic approaches from the Kabbalah.

The course is designed for therapists of any category, but can also be useful for lay persons who wish to learn a quality self-help procedure to assist them with their own personal growth and health.
