Beyond Honey, I'm Home...

Where have we come from?

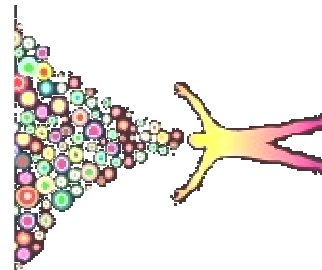

Where are we now?

What do we do when we disagree?

What is our spiritual life like?

Can we have an enjoyable sex life without a close emotional life with each other?

What are the common problems of a committed marriage or relationship?

Carefully designed to help couples share, feel and leave with a positive, hopeful experience. During the mini-weekend you'll have the opportunity to respond to a series of quotations which center around the theme of the program. In addition, time to share your thoughts and feelings with your partner in a private setting. As the session continues, you will develop a deeper feeling of intimacy with your partner while sharing in the wisdom of the group present. In the end, each couple will feel more connected to each other, to your own personal self, with the group and with God.
