The Three Intimacies of Marriage

Come and experience an inspiring weekend retreat for couples. Come rediscover the couple you were and enhance the couple you can be. Learn to explore the three basic foundations of intimacy in marriage: emotional, sexual and spiritual. Through meditation, learning practical communication skills through productive dialogue with each other and listening with an open mind and heart, you will have the opportunity to experience feeling close and connected. Silent time for prayer, reflection and reconciliation, sharing in Eucharistic Liturgy and celebrations, along with allowing God to enter into your own personal and married life in a deeper manner will complete the weekend.
